Welcome to our 59th sale, which is an online auction only, comprising over 900 lots offering a wide range of material.

In the Australian Colonies there is an extensive range of Tasmanian postal history, with strength in the stampless period and including some rare markings and usages, a 1d 'Courier' strip of 4 used on cover, a complete set of the 'Courier' 1889 reprints in complete sheets, and a group of 1d town rate covers. Victoria has a small group of SPECIMEN overprints which includes new discoveries, and a collection of the 1901-13 Federal Period with many multiples and monograms in the finest available condition. Western Australia completes the Colonial section with some useful collection lots and some rarely offered watermark varieties.

Australian Commonwealth has a wide range of Kangaroos to suit all tastes, and the King George V issues include a wide range of 1d Reds, and there are bulk lots of many of the George V commemoratives. The King George VI issues have some good plate numbers, there is a set of rarely-offered 1946 Sir Thomas Mitchell die proofs, and other interesting specialist material. There is a range of presentation die proofs for Queen Elizabeth II, the best of which is probably the pair of 1953 Produce Food in strips of 3, and there is also a set of the attractive Eileen Mayo watercolour sketches for her 1959 Fauna series. The few decimal lots includes a die proof of the 1970 6c QEII definitive that has never been offered on the philatelic market before. Australia is completed by an extensive offering of postal stationery and a wide range of postal history, including aerophilately.

From the Rest of the World there is a remarkable accumulation of Canadian instructional markings, followed by a specialised collection of Cook Islands 1949-1967 issues including essays and proofs as well as extensive studies of the various issues. There is a fine range of German Colonies with Yacht high values in fine condition, and Great Britain, with QV surface-printed SPECIMEN overprints, including some very rare items. Finally, the Richard Peck collection of Tristan da Cunha includes examples of all the locally-produced cachet types, as well as fascinating correspondence from 'the loneliest island in the world'.

Best regards from,

The Team at Millennium Philatelic Auctions.

The latest recorded date of the Hobart 'PAID' marking in black (after 1840 always struck in red). Very fine other than for minor peripheral wear	\$800T
85	C	1840 (10 Oct) and 1841 (2 Aug) entires from Launceston to England from the period when no despatch handstamp was in use, the former single weight rated '4' in red and '8' in black on arrival, the latter rated '5' in red and '1/4' in black on arrival, both with appropriate arrival markings, filing creases otherwise generally fine (2)	\$150T
86	C	1842 (4 Feb) entire (Leake correspondence) from Hobart to Campbell Town with fine strike of Crowned 'FREE' ds in red, and the signature of Hartwell Henslowe, Private Secretary, very fine	\$100T
87	C	1842 (10 Sep) outer from Sydney to Campbell Town, with 'PAID SHIP LETTER/SYDNEY' oval ds in red, rated '3' for paid ship letter rate, backstamped with Hobart boxed 'SHIP LETTER/29SP29/1842' in black, and rated '5' due, being 4d incoming ship letter charge + 1d inland delivery. Two vertical filing folds, otherwise fine	\$100T

89	C	1844 (15 Mar) 'On Public Service only' entire from Symmons Plains to the Comptroller General of Convicts at Hobart, with manuscript 'free' and Crowned 'FREE' ds in red used as an inward receipt marking. The letter contains a request to the Government for a convict gang to build a local road	\$200T
90	C	1846 (3 Jul) 'On Public Service only' printed entire from 'Medical Department' to Brown's River with Hobart 'Crowned FREE' ds in red - late state with crown missing found from 1846 only, and signed by J. Roberts, Principal Medical Officer of VDL. Some toning, mostly on reverse, otherwise fine	\$150T
91	C	1846 (6 Nov) entire to Launceston with postmaster's endorsement 'Deloraine/6th Novr 46' at upper left and endorsed at bottom 'Money Letter £6', rated '4' in red for 4d prepaid internal rate. The letter confirms that the enclosure was a cheque for £6, very fine	\$250T
92	C	1847 (28 May) 'on public service only' outer from Campbell Town to Hobart endorsed 'Cambelton' and with 'Crown/FREE' arrival cds in red. Vertical filing crease and spike hole, otherwise fine	\$150T
93	C	1847 (26 Aug) 'On Public Service only' outer within the Hobart Local Post with Crown FREE cds in red, properly signed and being free of postage, apparently struck in error, also with a fine strike of the unpaid '4.O.CLOCK' local post ds. Very fine, and the latest of the three recorded examples of the Unpaid Local Post ds	\$400T
94	C	Hobart 'Crown/FREE' Datestamp types: 1848 (3 May) cover from Hobart to Westbury, 28mm cds in red with three lines at base of crown; 1849 (31 Jul) entire from Hobart to Campbell Town, 29mm cds in red with two lines at base of crown; 1854 (20 Jan) outer from Richmond to Hobart, mss 'Richmond/20/1/51' endorsement and with 29mm cds used as receiving mark, with wide crown; 1854 (29 Sep) cover from Hobart to Campbell Town with 29mm cds with wide crown, boxed 'CAMP TOWN' arrival ds. Condition generally very fine (4)	\$200T
95	C	1850 entire to Launceston with postmaster's endorsement 'C Head 20 7 50' at left, endorsed at upper left 'Money Letter', and rated '4' in red, Launceston backstamp. The text of the letter indicates that the enclosure was ' <i>. . . the sum of four pounds eighteen shillings</i> ' to purchase three casks of porter, and is signed 'Charles O'Connor/Circular Head/Rose Bank Farm'	\$250T
96	C	1850 (20 Aug) entire to Launceston with a good strike of the postmaster's private handstamp 'C TOWN/20,AU,50' (an unusual sub-type with commas in date), endorsed 'Money Letter' at left and rated '4' in black, superb arrival cds on reverse. The letter is headed 'Lincoln' and encloses three cheques for the purchase of alcohol. Lincoln was located in a remote area near Cradle Mountain, and having no post office, the letter was carried to Campbell Town for posting. Very fine, and one of only two recorded Money Letters with a postmaster's private handstamp (the other being from Longford)	\$800T
97	C	1851 (1 Aug) turned and re-used outer used within the Hobart Town Local Post, with boxed 'PAID/1 O.CLOCK' ds in red, and rated '2' in red. Filing creases and a few small tears, but the earliest recorded date of the Hobart Local Post Paid datestamp	\$200T
98	C	1851 (17 Oct) entire to Launceston with postmaster's endorsement 'Longford 17 10 51' near bottom, and endorsed at left 'Money Letter', rated '8' as a double-weight letter. Some internal damage to letter which indicates that the enclosure was 'Five Pounds Ten Shillings & 6d', presumably in cash and hence the double weight. A very early item of mail sent by the new registration system which came into effect on 1 September 1851; this required the endorsement 'Registered' to be used, but 'Money Letter' continued in common usage for some time	\$300T
99	C	1853 (4 Jan) outer headed 'On Public Service Only' used locally at Brighton, with the signature of J.W. Forster, Brighton Police. Some light toning, but the only recorded example of official mail used as a drop letter in a country village	\$300T
100	C	1853 (18 Aug) inwards cover from Buntington (UK) to an officer of the 99th Regiment at Launceston franked 1/- Green Embossed (just touched at base) tied by '143' numeral, Buntington despatch and London transit backstamps in red, and Launceston arrival backstamp (21 NO 1853). Readdressed to Sydney (and then to Tamworth) and with Hobart boxed 'SHIP LETTER INWARDS FREE' ds in red for 22NO22 1853 (the earliest recorded date), and with Sydney h/s '3' in black and 'SHIP LETTER/ SYDNEY' arrival backstamp (DE 6 1853). Few small faults, but very attractive, and including the enclosed letter	\$300T
101	C	1853 (2 Nov) entire 'per Lady Bird' from Geelong (oval ds) to Hobart, rated '3' for paid ship letter, with Launceston transit cds, and boxed 'SHIP LETTER' arrival backstamp. This letter arrived three days after the new rates became effective on 1 November 1853, which removed the inwards ship letter charge	\$60T

Tasmania - Postal History (contd.)

102	C	1854 (10 Aug) entire endorsed 'per Pirate' from Launceston to Sydney without Tasmanian markings so apparently carried by hand and placed in the mails on arrival, with handstruck '3' inwards ship letter charge and 'SHIP LETTER/SYDNEY' arrival backstamp (AU 14 1854), very fine	\$120T
103	C	1854 (16 Aug) consignee's letter (Johnstone correspondence) London to Launceston delivered without charge (as per postal regulations), with good Launceston cds 8 DE 8 1854, horizontal filing crease otherwise very fine	\$75T
104	C	1855 (14 Dec) envelope and 1856 (17 Jun) outer (repaired tear at base) from Hobart to Melbourne and Geelong respectively, both franked with 1855 4d Deep Blue (both touched or just cut into in places), cancelled 68 and 64 Barred Numerals, and with Hobart 'GENERAL POST OFFICE' cds in red, reverse with appropriate 'SHIP LETTER FREE' cds for Melbourne and Geelong. Few minor faults, but good appearance (2)	\$150T
105	C	1856 (7 Apr) outer from Hobart to Geelong, 1855 4d Deep Blue (SG 17) tied by '61' numeral, with fine 'GENERAL POST OFFICE/HOBART TOWN/VDL' cds in red at lower right, and scarce 'SHIP LETTER/FREE/GEELONG VICTORIA' cds in red (AP 14 1856) on reverse, front and reverse with some staining. Also 1861 (24 Jul) envelope from Launceston to Hobart with 1857-60 4d Blue (discoloured) tied by '52' numeral, with 'PREPAID' despatch and arrival ds in red (2)	\$120T
106	C	1856 (28 Apr) 'On Public Service only' printed outer from Longford to Hobart with manuscript 'Longford/28/4/56' postal endorsement, and Hobart circular crowned 'FREE' datestamp in red 29AP29/1856. Repaired tear at top and outer with horizontal and vertical folds, still clean and scarce	\$300T
107	C	1856 (17 May) large part entire from Hobart to Geelong with 1855 4d Deep Blue (SG 17, just touched at top) tied by '64' Barred Numeral, 'GENERAL POST OFFICE' cds ('VDL' excised) cds in red, and 'SHIP LETTER/FREE/GEELONG VICTORIA' arrival backstamp in red, fine	\$150T
108	C	1857 (4 Sep) entire to Launceston with 'Emu Bay 4 Sepr' manuscript postmaster's endorsement and 'Registered 2/8' in red, and boxed 'PRE-PAID' arrival datestamp in red on reverse. The letter from one Richard Lennard orders supplies and notes 'I enclose £28'. From the issue of stamps in November 1853 postage and registration were required to be paid by adhesives, and this entire indicates that Emu Bay (Burnie from 1/1/1882) had run out of stamps; the 2/8d rate can be interpreted as 4d x 5 + 1/- registration for a 2-2½oz letter, but may also represent a double weight letter on which the postmaster has charged 2 x 4d and (erroneously) 2 x 1/- registration fee. Some minor soiling, but an interesting item	\$400T
109	C	1857 (22 Oct) outer with mss 'On public service only' from Launceston to Hobart, with Launceston diamond crowned 'FREE' and Hobart circular crowned 'FREE' datestamps in red. Very fine	\$120T

Very fine and an exceptional usage	\$300T
111	C	1858 (13 Jul) outer from Launceston to Scotland, redirected to London, with 1858 6d Imperf (SG 40) tied by '60' Barred Numeral, with fine diamond 'POST-OFFICE/LAUNCESTON' ds in red, London arrival backstamp, and with mss '1' for redirection. Very fine other than for some small tone spots	\$150T

Franked with 1858 1/- pair (somewhat oxidised) tied by '61' Barred Numeral, with 'PRE-PAID/9OC29/1858' cds in red, and boxed 'PRE-PAID' arrival ds in red for the following day. The 2/- franking represents 4 x 6d per 4 oz. printed matter rate. The lot includes the whole of the 'Votes' as posted. A 1/- Imperf pair is a very scarce franking, let alone for a heavy printed matter rate - a remarkable survivor	\$1500T
113	C	Trio of 4d inland rate covers franked 1857-59 4d, with 1858 (20 Mar) cover from Hobart to Jerusalem (four margins, cancelled Oval of Bars, with Brandon Cert), 1859 (28 Sep) from Hobart to Launceston cancelled '75' (cut into two sides), and 1866 (25 Jan) from Ross to Hobart cancelled '77' (touched or cut into two sides), some cover faults (3)	\$120T

120	C	1862 (23 Oct) entire from Hobart to London endorsed 'via Marseilles' and carried on the 'Colombo' which was wrecked off the island of Minicoy on 19 November. The salvaged mail eventually reached London on 16 January 1863 (datestamp on front). This cover bears three damaged 6d adhesives, a pair in Dull Slate-grey and a single in Grey, cancelled Oval of Bars, representing the 1/- half oz. rate plus 6d late fee. On the reverse are two strikes of the boxed 'Saved from the wreck of/the Colombo'. Four 'Colombo' wreck covers from Tasmania are recorded, this cover being a new discovery in 2011 and the only one still bearing adhesives. Cover with inevitable damage from immersion in water and reinforced with hinges in several places, but a spectacular 'Colombo' wreck cover	\$1200T
