Welcome to our 66th sale, which is an online auction only, comprising over 1250 lots offering a wide range of material, concentrating on Australasia.

All Australian Colonies are represented, with an emphasis on postal history, including an exceptional range of inwards mail to the Australian Colonies. Victoria includes the original contract for the Campbell Half-lengths and 2d Queen-on=Throne, and some useful Stamp Duty issues, and there is a complete group of the 1908 American Fleet stationery, including ancillary material.

Australian Commonwealth begins with some useful Kangaroo issues, followed by a large section of George V stamps. There is a collection of the ½d value suitably broken up into electro studies, 1d red shades, and a good range of the 3d value, but the highlight is the 2d orange and 2d red which includes most of the rare plate varieties, including the 2d red '21' variety mint. The later period includes a fine collection of pre-decimal first day covers, with strength in the pre-war period. An exceptional collection of Presentation and Collector's Sets includes a number of rarely-offered items. The decimal issues include rare perforation errors on the 4c and 6c Queens, and the Postage Dues are represented by several sheets of the 1902-1909 ½d issues.

A large range of postal stationery includes over 140 lots of Scenic Lettercards, a comprehensive range of Registration Envelopes, and a choice group of the Food Parcel Labels including the mint 3/7d, and used 5/10d from Anthony Horden, both major rarities.

New Zealand begins with a fine range of Chalon issues, nearly all in superior condition. Later issues include some fine proof material, errors, and a good lot of U.P.U. receiving authority handstamps. A small group of Postage Dues on cover includes a very rare 1899 second day of use.

Most other Australasian areas are also represented, with fine commercial usage from Papua New Guinea, and a wide range of Rest of the World material rounds out our largest on-line auction to date.

Best regards from

The Team at Millennium Philatelic Auctions.

113	C	1853 (24 Oct) cover from Melbourne to Worksop, Nottinghamshire with fair strike of oval 'PAID/MELBOURNE' ds in red, reverse with London transit ds and Worksop arrival ds (27 JA 55). Prepaid '3(d)' as a private ship letter, with '8'(d) due on arrival from addressee. Minor peripheral faults and soiling	\$50T
114	C	1855 (11 May) stampless entire to Mauritius written in French and without any despatch marks, endorsed 'pr "Reliance" ', with crowned 'MAURITIUS/GPO' ds (JY 9 1855' and scarce straight-line 'Late Received'. Very fine, and not listed in Ben Palmer's 'Pre-UPU Mail from Victoria'	\$700
115	C	1856 (30 Jan) entire from Melbourne to Edinburgh franked with 6d Orange Woodblocks (2, one just touched) tied BN 1, endorsed 'Per "Hellespont"/via Singapore' with London transit and Edinburgh arrival backstamps. With mss '6' in red representing the accountancy due to the Victorian P.O., on arrival the circular 'MORE/TO/PAY' was struck and mss '8' was due from the recipient. During a lack of shipping due to the Crimean War, the Victorian P.O. took advantage of the sailing of the 'Hellespont' to Singapore to despatch an English mail, which connected with the P.&O. service. However, the British P.O. considered the leg from Singapore to Galle constituted an extra 4d charge, hence the deficient postage charge (2 x 4d for a double weight letter). A fine example from this famous voyage	\$2200
116	C	1857 (11 Nov) incoming stampless outer from London (Paid cds in red) 'Via Southampton' to Geelong, readdressed to Queenscliff, and offloaded before ship arrived in Melbourne. Rated '6' in red, and reverse with good strike of scarce 'SHIP LETTER/FREE/GEELONG VICTORIA' cds in red (JA 8 1858) and with small Geelong crowned oval ds in black (JA 11 58). Vertical filing fold, otherwise fine	\$90T

118	C	Three covers to the U.K. endorsed 'via Marseilles' but franked only with the 1862 6d Adapted Design, thus underpaid and struck with boxed 'INSUFFICIENTLY PAID/VIA MARSEILLES', comprising 1863 (25 Nov) from Melbourne with handstamp in red, 1866 (24 Jan) from Hamilton with handstamp in black, and 1865 (25 Jul) from Melbourne with handstamp in blue. 121	C	1866 (28 Dec) entire from Melbourne to Bordeaux, France, endorsed 'Via Marseille', originally stamped and cancelled with Melbourne duplex, but stamp removed, and with Bordeaux arrival backstamp. As an unpaid letter, the boxed 'INSUFFICIENTLY/PAID' in red was struck, plus the diamond 'GB/1F62 4/10c' Anglo-French accountancy mark. Charged '10' (decimes) due from addressee. Very fine	\$450
122	C	1873 (3 Sep) cover from Daylesford to Locarno, Switzerland, with ½d on 1d Green (2) and 6d blue (3) Laureates cancelled '173' numerals. Endorsed 'via Brindisi' but with London transit cds and hence routed via Southampton, and with Locarno arrival backstamp. The via Brindisi rate to Switzerland was 1/3d, so this cover may have been overweight, hence rerouting (the double rate via Southampton was 1/4d). One ½d on 1d creased due to overlapping cover, tears in back flap, otherwise fine. The ½d on 1d Laureate is a very rare stamp on cover	\$550
123	C	1874 (7 Oct) Chief Secretary Frank handstruck in blue on Police Department legal size envelope to San Francisco cancelled Melbourne duplex, with London transit and San Francisco arrival cds. Undeliverable and with 'UNCLAIMED' and 'ADVERTISED' markings applied, also an unusual circular framed 'HAVE YOUR/LETTERS AND/PAPERS ADDRESSED/TO PO BOX OR TO/STREET AND NUMBER/WHEN THEY WILL BE/DELIVERED FREE/BY SENDER'.
